

First 10 Parents attending - with Students - receive \$100 !

What is happening?

Parents—We have offered scholarships to local high school students since 1996. We will discuss the strategies that can help you and your student make your additional training experience a SUCCESS !

This workshop is meant for ALL HS parents and students—anyone considering: tech school, 2yr or 4yr college — this is for you ! We will draw for several \$500 scholarships !
