November 9, 2020

Greetings Blue Jay Fans and Supporters,

We are happy to announce that Governor Dewine has given the order for winter sports to move forward. With this being said, things this year will be *extremely different* for our players, coaches and spectators. In reference to the Ohio Department of Health Director's Orders, we will be limited in our ability to share our athletic competitions with the general public.

***It is with deepest regret that we inform you, for the 2020 Winter Sports Season, there will NOT be any reserve, general admission, or student tickets available to the general public or past ticket holders.*** Once we distribute ticket allotments to players, cheerleaders, pep band members, and coaches we have met our maximum allowable 15% gymnasium capacity per ODH guidelines. We will, however, maintain our reserve ticket holder list from 2019 for the future year if/when we are able to resume to full capacity. Tickets will only be available to our student athletes and their family members, thus resulting in a *maximum number of tickets per family*.

If you get the opportunity to attend any Delphos St. John's sporting events, there are specific guidelines that **must** be followed STRICTLY. Failure to abide by any of the guidelines may result in individual dismissal from the event. If for some instance, guidelines are not followed on the premises, this could result in fines and forfeiture of the entire season for our student athletes. It is **crucial** that all of our families/supporters comply for the safety and well-being of everyone in attendance.

Spectator guidelines are as follows as outlined in the Ohio Director of Health's orders:

1. Spectators must conduct daily symptom assessments.
2. Anyone experiencing Covid-19 symptoms must stay home.
3. Family members should sit together socially-distanced from other families. No large gatherings or congregating of any form (There may potentially be Health Department surveyors in attendance watching).
4. Six feet social distancing **MUST** be maintained at all times.
5. No leaving the event venue during the game for any reason, you will not be readmitted. Doors/gates will be locked at the end of the 1<sup>st</sup> quarter and will not be reopened until the conclusion of the game.
6. No congregating before or after the game.
7. No parents/spectators will be able to be on the court/floor prior to, during, and after the games.
8. Spectators **MUST** wear face coverings at all times. *If a spectator has a medical condition and can't wear a mask we advise they not attend the event for their own safety.*
9. All spectators must leave the game facility immediately after the conclusion of the event.

Everyone will receive an opportunity to view any games hosted in the Robert A. Arnzen Gymnasium for a fee of \$9.95 per game via [www.team1prep.com](http://www.team1prep.com). Once you go to the website, select Ohio, then scroll down and select Delphos St. John's (yellow background with blue SJ). 60% of all viewing sales will be returned directly back to the school's Athletic Department. Our student athletes, pep band members, and cheerleaders have worked so hard and are excited to showcase our athletic seasons.

To stay informed, text alerts are a good way to keep up to date with game changes, and any other information related to athletic events. You are encouraged to register for the athletics remind app. To register, please text @dsjsports to the number 81010 on your phone. There is no need to install the app as it says. Remind will

ask you if you are a Student, Parent or teacher. *This is optional.* If at any point you wish to remove yourself, just reply with this message: @leave

At Delphos St. John's Schools, we have a long standing tradition of having one of the best Athletic programs in the State. Your support is necessary for our continued success; all equipment, supplies and other accessories associated with our athletic teams comes from our ticket sales or donations. Due to limited seating capacity set forth by our state government, we will be facing a financial loss from athletic ticket sales. Cuts have already been made to our athletic departments to offset our losses. We hope you are able to support our student-athletes with the giving of an athletic donation. Donations can be sent to: Delphos St. John's Athletic Department, 515 E. 2<sup>nd</sup> Street, Delphos, Ohio 45833. **Help make St. John's A Tradition Worth Keeping!**

Overwhelmingly as it is, we are working to make this as seamless as possible for you, our students, families, and community members. We pray for your patience, understanding, and willingness to adapt to these changes. Together, we can do this!

Kind regards,

Todd Schulte  
Athletic Director
